RE: FY 2014 Population Determination

Dear Mayor Wellington,

On April 3, 2013 I sent you a letter granting an extension until April 10, 2013 to file Metlakatla population adjustment request. We have not received any information from the community regarding the adjustment request.

Consequently, a population figure of 1,463 will be used for the Metlakatla Indian Community by the Department of Commerce, Community, and Economic Development in FY 2014 financial assistance programs.

Pursuant to 3 AAC 180.050, the city can appeal this decision to the Commissioner of Commerce, Community, and Economic Development. The appeal must be postmarked within 10 days of receiving this determination.

Should you have any questions, please contact Manjula Boyina, Local Government Specialist IV, at (907) 269-7959.

Sincerely,

A handwritten signature in blue ink that reads "Scott Ruby".
